

Spiritual Practices

Distraction

Quick Fix

A photograph of ancient stone steps leading up to a wall with hieroglyphs. The steps are made of large, rectangular blocks of light-colored stone, possibly limestone or sandstone, and are arranged in a staircase pattern. The wall above the steps is also made of similar stone blocks and features several columns of hieroglyphs. The scene is illuminated by warm, golden light, likely from a low sun, creating strong shadows and highlighting the textures of the stone.
